JOB EXPERIENCE

Web Developer — Freelance
Portfolio: www.jajoki.com

- Partnering with diverse clients to develop tailored, small-scale websites utilizing a skill set that includes HTML, SASS, JavaScript, and PHP.   -
- Proficiently contributed to the entire project lifecycle, from conceptualization to execution, and played a pivotal role in the initial hosting setup.

Woolworths — fruit and veg Department manager
- Demonstrated conflict resolution skills by effectively mediating disputes between challenging customers and their problems.
- Communicated departmental achievements and provided strategic insights for future improvements, fostering a culture of accountability for errors.
- Achieved consistently high customer satisfaction ratings.

Woolworths — Team Member (current)
- Exemplify strong interpersonal skills through effective communication with both colleagues and customers.
- Showcase product expertise by recommending and conveying detailed product knowledge in a clear and concise manner.
- Proactively address customer concerns, ensuring their satisfaction and fostering positive interactions.

Home care — Gardener
- Showcased excellent time management skills while efficiently organising jobs and handling payment transactions through clear communication with clients.
- Delivered top-notch gardening services, including mowing, hedging, and various landscaping tasks for clients in the Wollondilly area.

William valentine — Warehousing staff
- Played a key role in the processing and packing of orders for dispatch, ensuring accuracy and timeliness.
- Facilitated seamless operations by accepting and unloading freight deliveries.
- Maintained effective communication channels between the sales and warehouse teams, ensuring orders were fulfilled punctually.
